

**STATUTORY DECLARATION  
Registration of Fittings**

In this space, show facsimile of manufacturer's logo or trademark as it will appear on the fitting.

I, Danny Nelson,

Vice President - Fisher Instrument Business Unit

(company title, e.g. vice president, plant manager, chief engineer) (must be in a position of authority)

of Fisher Controls International LLC

(name of manufacturer)

located at 205 S. Center Street, Marshalltown, Iowa 50158 (Corporate Address), See Attachment B for Plant Sites

(plant address)

do solemnly declare that the fittings listed hereunder, which are subject to the Safety Codes Act (check one)

comply with the requirements of ASME B31.3-2012 which specifies the dimensions, (title of recognized North American Standard)

materials of construction, pressure/temperature ratings and identification marking of the fittings, or

are not covered by the provisions of a recognized North American standard and are therefore manufactured to comply with \_\_\_\_\_ as supported by the attached data which identifies the dimensions, materials of construction, pressure/temperature ratings and the basis for such ratings, and the marking of the fittings for identification.

I further declare that the manufacture of these fittings is controlled by a quality control program which has been verified by the following authority, See Attachment B as being suitable for the manufacture of these fittings to the stated standard. The fittings covered by this declaration, for which I seek registration, are Type 249 Series Level-Trol

In support of this application, the following information, calculations and/or test data are attached:

Design Analysis for Fisher Type 249 Series Level-Trol including Attachment C

DECLARED before me at Marshalltown in the State of Iowa

this 10th day of February, 2014  
(Month) (Year)

(print) Mary A. Knox

Danny Nelson  
(Signature of Applicant)

(sign) Mary A. Knox  
(A Commissioner for Oaths)

**For Office Use Only**

To the best of my knowledge and belief, the application meets the requirements of the Safety Codes Act and CSA Standard B51, Clause 4.2, and is accepted for registration in Category CF

Registration Number: OF 02302.52

Date Registered: SEP 11 2014

(For the Administrator/Chief Inspector of Alberta)

Expiry Date: Feb 14, 2024

## QUALITY CONTROL VERIFICATION

### FISHER CONTROLS INTERNATIONAL LLC CORPORATE REGISTRATION OF FITTINGS CATEGORY F: Measuring Device

#### VERIFICATION AUTHORITIES

The manufacture of fittings covered by this application declaration is controlled by quality programs approved by 3<sup>rd</sup> party accreditation/certification agencies as meeting the requirements of Annex F of CSA Standard B51-09 as indicated. ISO registration audits are conducted by Bureau Veritas. In addition, the Alberta and Quebec locations have obtained Quality Control Program Certificates of Authorization in accordance with CSA B51. Fisher Controls Corporate Quality System requires each facility to maintain these quality programs and they are subject to corporate quality audits. Copies of the Quality Registration certificates for the sites listed below are included.

This Statutory Declaration is submitted for registration by our corporate headquarters in Marshalltown, Iowa and covers the following Fisher Controls facilities worldwide which are authorized to manufacture and ship the fittings listed in this declaration under the jurisdiction of a corporate CRN number. These manufacturing facilities are directly owned, operated, and controlled by Fisher Controls International LLC and are all authorized and obligated to produce these fittings in accordance with corporate requirements and specifications.
